and Sighted. Col. Pemberton Handles the Repub lican Record Without Gloves

Amid Much Enthusiasm.

fired and a bomb shell was thrown into the republican camp. The Hon. San

with milk and honey. But we have not had all these good times; the promises have developed to dead sea fruit to tempt the mouth, but turn to ashes on the lips. They told you meant high wages. Carnegie orders a 15 meant requestion of wages whenever

he men that sweat and toil. (Applaus-le then showed how false the char-

opper, but they say nothing to you about his; but just the same we will put a cop the laborer; their friendship is like that of the hungry wolf for the detenseless kid. The speaker then showed that they never since 1861 enacted a law for the benefit of since 1861 enacted a law for the benefit of the wage worker; that they gave enough of our domain to railroad corporations to make an empire four times as large as Montana, and large enough to provide homes for thirty militions of people. At one stroke they increased the national gold debt \$600,000,000 by acceding to the demands of the bondholders to pay government bonds in gold; they have distorted the Scott exclusion act, enacted during Claustead's administration, so that all the

pagan concere in the Orient can come into our tair land as tourists.

There is a conflict between labor and capital. The wealth of the country is held by 11 000 people and there are 500,000 tramps. He then depicted a scene of the danger that threatens the coorient by the the world (applianse) Yet republicans say "I am holier than thou" If they ever meet a stunk in the road they would not have the right to say that. (Cheering and prolonged applianse). He said the democratic party is not opposed to registry and secret bailing, the latter he believed to bright in principle. He said the candidates. The young lady with whom I say that the candidates. The young lady with whom I say the candidates. The young lady with whom I was taking tasted her Roman punch as only claim to state-manship was that he went to Washington with Russel B and divided a few offices and has never done anything aince, but draw his salary like a thoroughbred, (appliance) O Marjur draw here are not preparation and sill the republican bloodle in Montana would be exhausted in finding one blotch upon his character, Greet apploause). He appealed to democrate in the port these men as an act of gradient state of the country and their party. The prize is worth the best efforts that can be put forth, and from careful observation he has found that hever was democracy in Montana so determined to washing the port these men as an act of gradient the same and all the proposed to democrate the support these men as an act of gradient the country and their party. The prize is worth the best efforts that can be put forth, and from careful observation he has found that hever was democracy in Montana so determined to washing the matter, the country and their party. The prize is worth the best efforts that can be put forth, and from careful observation he has found that hever was democracy in Montana so determined to washing the matter, the country and their party. The prize is worth the best efforts that can be put forth, and from careful observation he has found that prever was democracy in Montana so determined to washing the provided by the California Fig. Syrup of Figs are purposely and the proposed to democracy in Montana so determined to washing the provided by the California Fig. Syrup of Figs and the capture of the provide

she shall shine in the center and above all as the brilliant gem of the grand cluster, to forever remain until the millenium of dawn shall arrive and peace on earth and good will to man. At the beautiful close Mr. Pemberton was showered with boquets, while the long-continued and uproarious applause could be heard many blocks TOMIN'S TATTLE. He Makes a Short Speech From After the applause Mr. Bradford introduced the Hon. Sam Word, and his appearance was the signal for great applause and a shower of flowers. Mr. Word made a very elequent and effective address, and

Points He Attempts to Make Need very elequent and effective address, and shattered the pretensions of the republican party in this camp and mutilated the many glaring and misleading falsehoods set forth by party organs. He said he had been all along the road and found democrats in line and the fires burning brightly. Nowhere had he heard of a democratic growler or kicker, and many honest republicans admit that we have the best ticket and they are bound to support some of the candidates. Sharpening Before They Can Prick to Be Felt.

their respects to him and selected of bearing the legend "Benjamin Harrison and Bedisteak." These men represent 1960 people and now they are locked out 1000 work and it is all they can do to get enough to eat. At Brainerd and Streeter, 111 in is coal miners are out of work and have been locked out since last April and only a few days age the democratic mayor of Chicago sent down to these sufficing and it is more than probable that the grand labor trouble since latrison's inauguration than work each of Checkand's administration. Braised, a non-partisan authority reports forly-seven railures in wooden milks during the same period. Why have these things happened? Why have the republicans not kept their promises? How can they expect a man that works to believe them?"

They tell us the democratic party. Leads add he had healed a split in the democratic party. He was no split in the democratic party. It had dissolved. Thomas Henry how, There was no split in the democratic party now. There was no split in the democratic party now tion, locked Mr. Seligman up and refused to release him until they were paid their money? "The methods here exposed must be defeated," reads the circular, and we will defeat cause they refused to vote the democratic ticket as their bosses demanded. He did not want any of his hearers to vote for him must be defeated, reads the circular, and we will defeat them, said Mr. Word, and in the words of the immortal Power, "We've got 'em."
The speaker thoroughly overhauled the circular, in which no man of ordinary sense takes any stock. He said he was real sorry for Mr. Power. He was being shamefully treated by Carter, Seligman and Sanders who have devoted all their energies to elect Carter which Sanders knows of

After the meetings last light quite a crowd assembled on Main street and cheers for Toole and Maginnis and Carter, were about evened up. One side would yell for the democratic candidates and the other who have devoted all their energies to elect Carter which Sanders knows of nothing else and cares less, than for the success of the legislative ticket. Mr. Word closed his address with a tribute to the worth of Toole, Maginnis, Comly, Wm. Wallace Jr. and the county ticket at large and hoped all democrats would do their whole duty to-day. Three cheers and a tiger were then given with a will for democracy. was the only one who yelled and the democratic side grouned. There was a general consultation among the republicans and it was decided to yell for Power until one republican protested. He said he was an enthusiastic Carter man, but he would be d—d if he would hurrah for Power. The
